DAN JANOWIAK RACE CAMPS, LLC

COPPER MOUNTAIN, COLORADO

NOVEMBER 16-23, 2018

July 28, 2018

Dear Athletes and Parents,

Greetings everyone! What a beautiful summer we are having. I hope all of you have been able to enjoy your favorite summer activities. I am pleased to announce the 26th Dan Janowiak Fall Race Camp at Copper Mountain, Colorado, November 16-23, 2018. Whether you are club level, middle school, high school, collegiate or USSA racer you can benefit significantly from this camp! **EVERYONE IS WELCOME!!!**

The 2017-18 ski season was a huge success in so many ways. As Head Coach of the Northwestern Alpine Ski Academy (NASA), I am so proud to report that NASA athletes have won 9 individual MHSAA State Titles in the past 9 seasons plus 6 runner-up finishes! In addition, NASA has placed two of its athletes at the prestigious Rowmark Ski Academy and one at Green Mountain Valley School (GMVS) in the past few years. Two former NASA athletes are currently racing NCAA Division 1.

Great news from Copper Mountain! They are replacing both the American Eagle and the American Flyer lifts. The American Eagle will now be a combination of 8 person gondola cars and six person chairs. The American Flyer will now be a six-person chair with bubble covers.

Attending fall camp can potentially be a “difference maker” for the athlete as he/she prepares for success during the coming season. I assure you that I will take a personal interest in every athlete that attends my camp. History shows that athletes returning home from fall camp have developed improved skills and confidence going into the new competition season.

Begin to prepare yourself. Check equipment and clothing needs and get started with your conditioning program. Remember, you will only ski as well as your physical condition permits.

Enclosed you'll find information about my 2018 camp at Copper Mountain in November. Your participation will get you off to a great start! See you soon!

Dan Janowiak
USSA Level 300 Certified Coach

CAMP DIRECTOR: Dan Janowiak from Manistee, Michigan. Now over 42 years experience coaching ski racing and a well-established track record for developing young athletes. Dan was head coach of the Manistee High School Ski Teams for 26 years. He founded and managed the Manistee Ski Club beginning in the early eighties. Currently, Dan is the Program Manager/Head Coach of the Northwestern Alpine Ski Academy (NASA).

Dan has had the good fortune to have assisted the Quantum Sports Club in Breckenridge, Colorado and has also developed a good association with the FIS level coaches around the country.

Twice Dan was a part of Team USA coaching staff at the Whistler Cup in British Columbia, Canada. He was one of 10 invited coaches to assist at the first U.S. Ski Team National Development System camp in Mt. Hood, Oregon. His experience also includes four European trips with elite level FIS athletes for training and competition. Dan was inducted into the Michigan High School Ski Coaches Association Hall of Fame in 1999.

LOCATION: Copper Mountain, Colorado, which is located in Summit County 75 miles west of Denver. Summit County ski resorts provide the best early season snow in North America. Cold temperatures, hard machine made snow and excellent visibility, are the norm. National teams from around the world travel to Summit County for the best training in November.

STAFF: Our biggest asset. The camp staff has been together for many years and has been trained by Dan Janowiak. This is one staff that is all on the same page. See listing of staff later in this camp brochure.

TRAINING: Seven days of quality on snow training! Slalom and giant slalom training will be the primary focus. We will provide lots of gate training opportunities. Modern technique and tactics will be taught on the hill and discussed in classroom settings. Improving technical skills at any time of the year is very important. Each athlete will be monitored closely to assure technical improvement during this camp. Getting each athlete off to a good positive start on the season is one of our goals. **This camp will be limited to 30-35 athletes!** Coach to athlete ratio will not exceed 1 to 6.

Each day after gate and gateless training we have reserved time for all athletes to free ski should their energy level be high enough.

After dinner each evening the staff will provide technical discussions on the following: slalom, giant slalom, mental skills preparation including goal setting, physical conditioning, ski tuning and waxing. Video review of each days training runs will be observed daily as well as viewing current World Cup video with discussion.

Athletes are expected to have skis well prepared for training each day. Coaches will always be assisting and teaching skills in the wax room.

The Copper Mountain Athletic Club is available with complimentary swimming pool, Nautilus and exercise equipment, sauna, hot tub and steam bath. Tennis and racquetball are available for a fee. We encourage the use of this beautiful facility.

ELIGIBILITY: This camp is open to all junior racers age 8-18 and collegiate athletes who are serious about ski racing. All camp participants are expected to put forth their best efforts and to conduct themselves in a responsible manner at all times. The director reserves the right to expel any racers whose activities shall be judged to be detrimental to the well being of the camp. If this occurs the participant will be sent home at their expense.

LODGING: Lodging will be slope side in the main village of Copper Mountain. We will stay in two or three bedroom condominiums. Each unit is equipped with 2-3 bathrooms, kitchen and fireplace.

FOOD: Three meals per day will be provided. Either breakfast or lunch will be provided by Copper Mountain, depending on our daily training schedule. Special dietary needs should be noted on your registration form. A special Thanksgiving feast will be prepared on Thanksgiving.

TRANSPORTATION: Flight arrangements are your responsibility. Please arrive November 16, 2018 before 5:00pm (we will be there for you later if necessary) Mountain Time at Denver International Airport (DIA). Athletes should plan their departures from DIA after 3pm on Friday, November 23rd.

Coaches and staff will be flying out of Traverse City and Grand Rapids Michigan.

WHAT TO BRING: All ski equipment for giant slalom and slalom training, ski clothing, tuning equipment, a set of workout/running apparel plus notebook and pen. If you have homework, please bring it. Although free time will be limited, there will be some time available for studies.

COST: \$2590. This price includes 7 days of lift tickets, lodging, ground transportation, three meals per day, coaching, lane fees, video, evening clinics, supervised wax room assistance and camp T-shirt. A \$1000.00 deposit and completed registration form is required to secure a spot in the camp. Those who register before September 20, 2018 may deduct \$75 from the deposit. Families with more than one camp participant may deduct \$50 from each participant's total fee. Cancellations after October 20, 2018 will result in loss of reservation deposit. All checks should be made payable to **DAN JANOWIAK RACE CAMPS, LLC. Mailing address: 1920 Blossom Trail, Manistee, Michigan 49660.**

DAY CAMP RATE: \$1890. Includes all of the above excluding lodging and meals.

QUESTIONS: Contact Dan or Cathy Janowiak at 231-723-7512 (H); 231-510-5456 (cell) or danielj.janowiak@gmail.com
